## **WALKING**

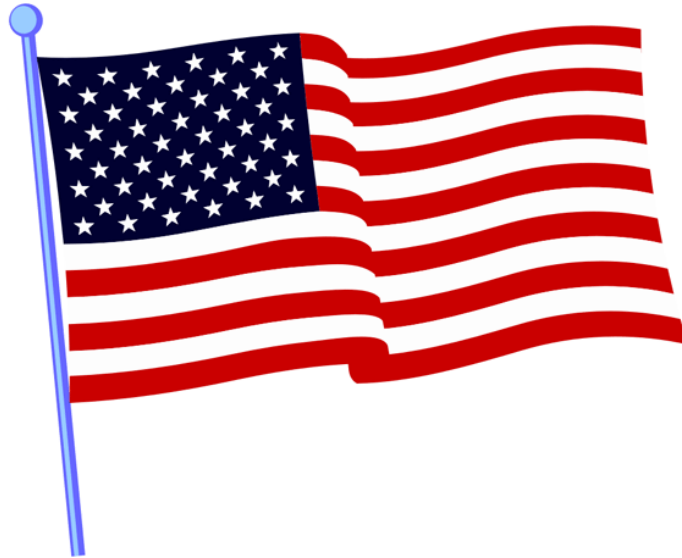

“These boots are made for walking.” What better way to date oneself than to quote the title of a 1966 pop hit sung by Nancy Sinatra, except that unlike Nancy, my essay here isn’t about boots and metaphorically using them to walk on a cheating romantic partner but about walking as simply...walking.

## **American Flag Rescue Program**

The American Flag Rescue (AFR) program was initiated in 2019 after St. Johns County Solid Waste Management staff observed worn and damaged American flags in drop-off garbage containers at the Tillman Ridge facility. Although some flag collection containers already were in place in several stores that sell American flags, more collection points were clearly needed. The initial shipment of new flag collection boxes was funded by local radio personality Kevin Geddings. These units were placed in St. Johns County libraries. Of the nearly 1,000 flags collected in 2020, about 10% were reusable and these are available to the public. Damaged flags are retired according to established protocols by local Scout troops and veteran’s organizations. An American Flag booklet provided by Supervisor of Elections Vicky Oakes is also available. For information about flag collection/retirement or site participation, contact Chris Benjamin at (904) 827-6980 or [cbenjamin@sjcfl.us](mailto:cbenjamin@sjcfl.us). Flags can be dropped off at City of St. Augustine Beach City Hall.
