The City of St. Augustine Beach will be hosting two town hall meetings regarding the Stormwater Utility Fee implementation. Meeting dates are set for April 10th and April 25th from 5:00-6:00 p.m., in the Commission Room at City Hall, 2200 A1A South, St Augustine Beach. The public is encouraged to attend these meetings and participate in the discussion. For more information, a Stormwater Utility FAQ can be found on the city’s website, <https://www.staugbch.com/publicworks/page/stormwater-utility-fee-faqs>.

One or more City Commissioners or City board members may be in attendance.

NEW Safety Protocols for all City Meetings

Effective immediately, the City of St. Augustine Beach will implement new security measures during all official city meetings. These new security protocols are very similar to measures that have been in place at the St. Johns County Court House and other governmental buildings for several years throughout St. Johns County.

All meeting attendees will be required to place electronic devices along with personal belongings into bins which are subject to inspection by security. All meeting attendees will also be required to pass through a passive scanner prior to entering the meeting space. We ask that attendees leave any additional items, bags or personal belongings secured in your vehicle if possible.

Thank you for your understanding and cooperation
