City of St. Augustine Beach December 2020 Newsletter

Our **Light Up the BEACH** 2020 holiday season has begun!
We are promoting socially responsible events that encourage everyone to visit the beach this holiday season. The events are set against a backdrop of fabulous colorful light displays mainly down A1A Beach Blvd. and throughout Pier Park. Many of our wonderful local businesses have joined in the fun by lighting up their buildings in vibrant colors and creative designs!

The light displays are a collaborative effort between the City and local businesses to celebrate all that the beach has to offer both visitors and locals this holiday season!

Beach Art Walk

Shop & Dine the Beach

A1A Beach Blvd was a happening place to be on Saturday, November 28th at our Beach Art walk event! As part of our Light Up the BEACH! holiday season, the Beach Art walk was the first of several fun events that the City is promoting to support local businesses!

Put on in association with the Art Studio of St. Augustine Beach, this event featured artists and artisans with many diverse items from paintings and photography, to pottery and jewelry and even featured two local authors. Offerings included many holiday themed pieces as well as affordable gift items. All handmade, all local. We want to thank all of the businesses and artists who participated in this fun event! A special thank you to Paul Slava from the Art Studio of St. Augustine Beach for his dedication and time helping to coordinate the event. If you missed the Art walk, not to worry, you will get a second chance on **Saturday, December 19th, 4:00 p.m. - 8:00 p.m.**

Otherwise, though, especially if the evening were chilly, you wouldn't see many people out, either driving or walking along A1A Beach Boulevard. Dullsville, some would say, utterly Dullsville. That all changed in 2006...
