Max Royle, City Manager

Lessons

Where has the time gone? This question is relevant because 2021 marks my 45th

year in the city management occupation. From that perspective, now may be an appropriate time to share some occupational observations.

HONORING ALL THOSE WHO SERVE, PAST, PRESENT AND FUTURE.

All city offices will be closed on Thursday, November 11.

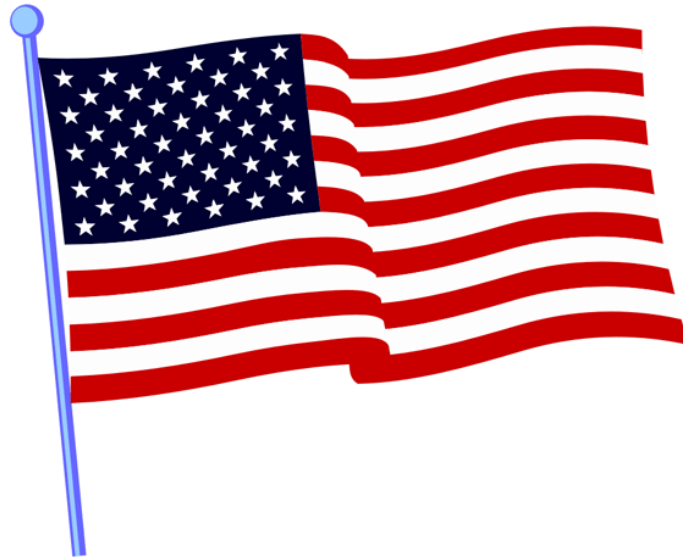

Thursday's garbage will be collected on Friday.

There will be no change in the yard debris & special collection schedule.

American Flag Rescue Program

The American Flag Rescue (AFR) program was initiated in 2019 after St. Johns County Solid Waste Management staff observed worn and damaged American flags in drop-off garbage containers at the Tillman Ridge facility. Although some flag collection containers already were in

place in several stores that sell American flags, more collection points were clearly needed. The initial shipment of new flag collection boxes was funded by local radio personality Kevin Geddings. These units were placed in St. Johns County libraries. Of the nearly 1,000 flags collected in 2020, about 10% were reusable and these are available to the public. Damaged flags are retired according to established protocols by local Scout troops and veteran's organizations. An American Flag booklet provided by Supervisor of Elections Vicky Oakes is also available. For information about flag collection/retirement or site participation, contact Chris Benjamin at (904) 827-6980 or cbenjamin@sjcfl.us. Flags can be dropped off at City of St. Augustine Beach City Hall.
