No Meeting Currently Scheduled for September

## **SEPAC News!**

*Sustainability & Environmental  
Planning Advisory Committee*

**Yard work is hard work**; we want to recognize your efforts!

If you've worked hard to create an environmentally friendly yard, the City of St. Augustine Beach wants to recognize your efforts! SEPAC would love to find out about any residential or commercial property within the City that contributes to the sustainability of our environment by promoting water conservation, reducing stormwater runoff, preserving the tree canopy, utilizing native plants, and increasing the biodiversity of Anastasia Island. If you think your yard has what it takes – or just to get more information on how to make your area more environmentally friendly, please visit: <https://www.staugbch.com/bcbatb/page/environmentally-friendly-landscaping-recognition>

## **American Flag Rescue Program**

---

The American Flag Rescue (AFR) program was initiated in 2019 after St. Johns County Solid Waste Management staff observed worn and damaged American flags in drop-off garbage containers at the Tillman Ridge facility. Although some flag collection containers already were in place in several stores that sell American flags, more collection points were clearly needed. The initial shipment of new flag collection boxes was funded by local radio personality Kevin Geddings. These units were placed in St. Johns County libraries. Of the nearly 1,000 flags collected in 2020, about 10% were reusable and these are available to the public. Damaged flags are retired according to established protocols by local Scout troops and veteran's organizations. An American Flag booklet provided by Supervisor of Elections Vicky Oakes is also available. For information about flag collection/retirement or site participation, contact Chris Benjamin at (904) 827-6980 or [cbenjamin@sjcfl.us](mailto:cbenjamin@sjcfl.us).  
Flags can be dropped off at City of St. Augustine Beach City Hall.
