

11th Street Drainage and Roadway Rehabilitation

City of St. Augustine Beach Public Notice

11th Street Drainage and Roadway Rehabilitation

Updated: 05/06/2024

Work on lining the pipe has begun. Please use caution when walking or driving through this area.

SCOPE OF WORK:

11th Street between 112 and 213 is in need of stormwater pipe repair and in some areas and the condition of the pipe(s) may also be affecting the road. The stormwater pipes will first need to be cleaned and then videoed in order to properly assess how to move forward with repairs.

Tentatively, the City has decided to clean/camera/line the pipe this during fiscal year (FY) 2024, year and budget funds for roadway design in FY 2025 then roadway construction in FY 2026.

CURRENT PROJECT PHASE: Research/Assessment

On February 28, 2024, City's contractor was on-site to clean, camera, and evaluate the condition of the stormwater pipe.

The City is currently evaluating the the results of the cleaning and videoing.

PROJECT FUNDING:

This will be a City-funded project.
